PETITIONS OFFICE

Sir/Madam:

Applicant respectfully requests reconsideration of the decision on the "Renewed Petition Under 37 C.F.R. 1.181" filed on February 6, 2003 for the above-reference patent application. The Petitions Attorney has indicated that the petitioner has not provided a satisfactory copy of a docket record showing where the nonrecieved office action would have been entered if it had been received and docketed. Applicant has attached a copy of a Docket Report for December 2001 to this renewed petition. The docket record illustrates all outstanding replies docketed for a date three months from the mail date of the nonreceived Office action (i.e., December 13, 2001). If the outstanding Office action in question had been received by the undersigned attorney's office, a corresponding response would have been docketed and would appear on page 5 or 6 of the attached Docket Report. As shown, no such entry exists.

Attorney Docket Number 1200471-991180

Applicant respectfully asserts that all elements are now met for a petition to withdraw abandonment under 37 C.F.R. 1.181.

If any other fees are deemed necessary in connection with the filing of this petition, authorization is hereby given to charge the amount of any such fees to Deposit Account No. 07-1896. Furthermore, Applicant requests that the deposit account be refunded the fee of \$1,280.00, which was previously charged for a 37 C.F.R. 1.137(b) petition, since the requirements for a 37 C.F.R. 1.181 petition have been met.

In the event matters remain to be resolved in view of this communication, the Examiner is invited to call the undersigned so that a prompt disposition of this application can be achieved.

Please direct all further communications to:
